Old Business

SMALL still on schedule

Work day and picnic will be April 27th we will work on the fence, replacing the rope with chain, sharpen blades, fill holes in the field

2008 WATTOBER FEST still on green for go

Save the date card still being cussed and discussed by Steve and Chris

Steve found some ad rates for the AMA magazine 1 ½ inch is 35 dollars per month for 3 months

The 2 ½ inch add is 45 dollars a month for 3 months

We will discuss the possible purchase of them.

NEW Business

Steve still looking to contact a couple of Magazines to see if they will donate add space for the fun fly.

Chris and Mark measured the west end of filed to see if it is feasible for a control line circle and it is, we also talked to Ronnie about removing the bushes and small trees and he said go ahead, and he offered to help us pull the stuff by the roots.

We will start working on the area soon.

Field preparations have started part of the runway was scraped and leveled with a lot more work to be done, but it is started. WE will move the flight stations to the center of the field while part of it is worked.

TAKE YOUR TRASH HOME.

Safety is everyone's concern so keep an EYE on yourself and others and if you see something that is dangerous or potentially hazardous say something.

Meeting adjourned at 8:02

Show and Tell

Ron showed us #196 it is a Sue patterned after a Vico control line model. It weight in at 41.5 oz and has a .15 power plant and gets a 30 minute flight on a 4 oz tank.
